Random Quotes Generator¹

This application interface shows a quote from Ward Schumaker: "The second best friend you can have (the first being someone who can give you a good job) is another designer or illustrator." Below the quote are buttons for "New Quote" and "Tweet!".

Weather Application³

The weather app interface shows the location 'Bekasi, ID' with a temperature of '28.2°C' and 'Clouds' conditions. It also includes a 'Metric' and 'Imperial' switch, and a small cloud icon.

Under Reconstruction

The page features a dark background with a bridge silhouette. The text 'Under Reconstruction' is prominently displayed at the top. Below it, a message says 'in the mean time, you can find me around the web' followed by social media links for Facebook, GitHub, LinkedIn, and Behance, along with the handle 'freeCodeCamp'.
